A \$30.00 fee will be collected for each check returned to the Township for lack of funds and/or closed account.

### Paying Bills

If you are using an online bill paying service to pay your water or tax bills, please include your correct account number for water bills or tax ID number for taxes. This will help us credit your payment to the right account.

### Dogs Running Loose

In Arenac County you must keep your dogs under control. Call Animal Control at (989) 846-4421 to report loose dogs.

### Open Burning

You must check with the DNR, at 866-922-2876 or at the DNR website [www.michigan.gov/burnpermit](http://www.michigan.gov/burnpermit) to see if permits are being issued for our Township before starting a fire.

### Mosquito Control

If you have a problem with mosquitos call APM Mosquito Control at (989)876-0374. Keep in mind weather conditions factor into when spraying is done, also.

### Building Permits

The following steps must be taken to obtain a Building Permit:

1. Contact the Zoning Administrator for a land use permit. At that time, it will be determined if your project conforms to our Township Zoning.
2. When building a new home, and with some additions, a Septic Permit will be required. You will get this from the Arenac County Health Department. (989) 846-6541
3. You must then obtain a Building Permit from the Arenac County Building Department, located in the County Building in Standish. (989) 846-9791

### CURRENT ADDRESSES

Please call the Township Hall when changing your mailing addresses. This will help to keep our records up to date so you will receive your billings in a timely manner.

**Township Updates:**

The Township Board is working on a few projects this summer at the Hall and throughout the Township:

\*The Driveway is going to be seal coated and the lines re-painted.

\*The sidewalks are going to be repaired around the building.

\*The Joint Board for the Transfer Station is working on improving the entrance to the Transfer Station, by cleaning out the ditch and clearing the brush around the entrance. The fence is going to be worked on also.

We are also looking for people who are interested in serving the community by becoming members of the Planning Commission.

We are searching for a new Zoning Administrator for the Township, as well.

The Township is continuing with the water meter replacement project, so if you see two men working near the road it is probably the company that the Township hired to replace meters. Any questions call the Township Hall (989) 362-8441.
